You deserve an unforgettable ceremony

I help you bring your vision for your ceremony to life. I will tell your unique love story, and we will celebrate your love without limits, anywhere and at any time.

You can rest assured that your ceremony is in safe hands with me.
Your day - Your way!

YOUR ONE-OF-A-KIND CEREMONY

If you are looking for:

- A **relaxed, magical and memorable** ceremony
- An **English or German** ceremony or a ceremony in both languages simultaneously
- **Meaningful readings and poems**
- **Personal and unique vows**
- A range of **symbolic gestures** alongside the traditional ring exchange
- Someone to tell your **love story**
- A **fusion of traditions and personal beliefs**
- A ceremony **without limitations or restrictions**

Then we should find out if we are a good fit to work together to bring your vision for the ceremony to life

Celebrate your love without limits or restrictions

We will turn your wedding ceremony into something truly magical and unforgettable.

Your ceremony is the only ceremony on the day. I never want you to feel rushed or worry about me disappearing off to another wedding. Your day is my priority, and I'm there to support you from the moment I arrive until you no longer need me.

Personalise your ceremony

You can choose **meaningful symbolic gestures** like a **ring warming, hand binding or a sand ceremony** or **plant a tree alongside the traditional ring exchange**

Adding **meaningful readings or poems** to your ceremony read by your friends or family members

Why not include family **traditions and beliefs** or **religious elements** or **create new traditions**

I write your **love story** and I help you to write your **personal vows**

And you can choose from 3 different **wedding certificate designs**

Personalising your ceremony can be so much fun.

Looking for a bilingual ceremony?

“We feel so lucky to have found Sabine in our search for a bilingual celebrant who could effortlessly switch between English and German”

S&M June 2025

Hello, I am Sabine

I'm a bilingual wedding celebrant, storyteller, romantic, people-person and lover of a good laugh!

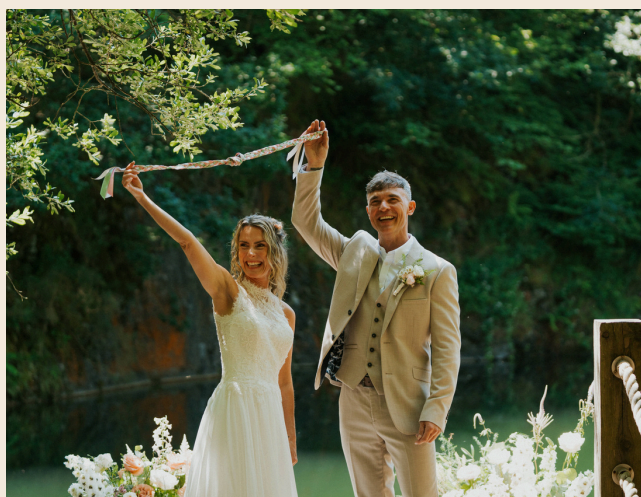

I believe your ceremony should feel like you — not like something copied from a wedding script.

I'll get to know you, discover the little things that make your relationship special and turn them into a ceremony filled with your stories, your personalities, your humour and your love.

I make sure your guests are laughing, crying, smiling and leaning in because they don't want to miss a word.

I speak fluent English and German and I create your bespoke ceremony in either or both languages simultaneously.

If you are looking for a breath-taking and romantic ceremony for your special day, you have come to the right place! You can rest assured that your ceremony will truly reflect your personalities.
